

# International Observe the Moon Night

## Hosted by the Astronomers of Humboldt

When: Saturday, September 19, 6 pm to 10 pm.

Where: McKinleyville, Pierson Park, off Pickett Rd, behind Azalea Hall.

How: Attend hosted event, or

Observe the Moon yourself, anytime between September 15 and September 25, with or without optical aid (binoculars or telescope), take a picture or make a sketch, and go to

[www.astrohum.org/moon/](http://www.astrohum.org/moon/) to turn in a report.

Either way you will receive a Certificate of Participation from The International Observe The Moon Night Coordinating Committee.
